Whereas, the Redevelopment Authority of the City of Milwaukee, Wisconsin (the “Authority”) is a redevelopment authority organized by the City of Milwaukee, Wisconsin (the “City”), and existing under and pursuant to Section 66.1333, *Wisconsin Statutes*, as supplemented and amended (the “Act”), and is authorized by the Act:

- (a) To prepare, carry out, contract with respect to and/or operate redevelopment projects;

Whereas, the Project is located in an area previously found to be blighted by a resolution duly adopted by the Commissioners of the Authority on July 2, 2015, pursuant to the Project Plan for Tax Incremental Financing District No. 84 (West McKinley and West Juneau); and

Whereas, in connection with the financing of a portion of the costs of the Project, it is now necessary, desirable and in the best interests of the Authority to authorize the issuance of its Taxable Redevelopment Revenue Bond, Series 2016 (City of Milwaukee Project) in the initial principal amount of \$8,000,000 (the “Bond”); and

Whereas, in connection with the financing of the Project, the Authority has been presented a proposed Cooperation Agreement dated as of March 17, 2016 (the “Cooperation Agreement”), to be entered into between the City and the Authority, providing for the transfer of the proceeds from the sale of the Bond from the Authority to the City to enable the City to finance a portion of the costs of the Project; and

Whereas, it is in the public interest of the City to encourage and promote the development of projects such as the Project in order to realize public benefits such as, but not limited to, the provision and retention of gainful employment opportunities for the citizens of the City and the elimination of blight within the City; and

Whereas, the development of the Project and the issuance of the Bond to finance a portion of the costs of the Project as herein recited will, in the judgment of this body, serve the intended accomplishment of the public purposes of, and in all respects conform to the provisions and requirements of, the Act; now, therefore, be it

Resolved, by the Commissioners of the Redevelopment Authority of the City of Milwaukee as follows:

Section 2. Declaration of Findings. Based upon its review of the Project, the Authority hereby finds that the financing of a portion of the costs of the Project by the Authority through the issuance of the Bond and the transfer of the proceeds from the sale thereof to the City will further the public purposes of the Act.

Section 3. Authorization, Purpose of Bond; Limited Liability. For the purpose of financing a portion of the costs of the Project, there is hereby authorized the issuance of the Bond in an initial principal amount of \$8,000,000, which shall mature, bear interest, be subject to redemption prior to maturity and be subject to the other terms and provisions of this Resolution.

The Bond is being issued pursuant to and in full compliance with the Constitution and the laws of the State, and particularly the Act and this Resolution. The Bond is a special, limited obligation of the Authority, payable solely from the revenues and receipts derived from the payment of the Tax Increments made by the City to the Authority pursuant to the Corporation Agreement. The Authority has no taxing power. The Bond shall not constitute a debt or an obligation of the City, the county in which the City is located, the State or any political subdivision thereof within the meaning of any State constitutional provision, statutory limitation or charter provision or limitation, and shall not be a charge against the general credit of any of them or the taxing powers of the City.

No recourse shall be had for the payment of the Accreted Value of the Bond or for any claim based thereon or upon any obligation, covenant or agreement contained in this Resolution against any past, present or future member, commissioner, officer or employee of the Authority or the City, or any incorporator, member, commissioner, officer, employee, director or trustee of any successor corporation, as such, either directly or through the Authority or the City or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, member, commissioner, officer, employee, director or trustee as such is hereby expressly waived and released as a condition of and consideration for the adoption of this Resolution and the issuance of the Bond.

Section 4. Authorization and Terms of the Bond. The issuance of the Bond in an initial principal amount of \$8,000,000 is hereby authorized. The Bond shall be designated “Taxable Redevelopment Revenue Bond, Series 2016 (City of Milwaukee Project),” and shall be dated the date of issuance, as originally issued. The Bond shall be in fully registered form, shall be lettered R and numbered consecutively from one upward, shall mature on December 1, 2040, shall have the approximate yield to maturity of four and one-half percent (4.50%) *per annum*, shall have the Accreted Value, and shall be subject to redemption, all as set forth in this Resolution.

Section 5. Interest; Accretion; Payment Provisions Relating to the Bond. The Bond shall have the approximate yield to maturity set forth herein, and interest shall accrue on the Bond (computed upon the basis of a 360-day year of twelve 30-day months) during each Compounding Period, which accrued interest shall be added to the principal amount of the Bond on the next Compounding Date, commencing on December 1, 2016, which when so added shall become part of the Accreted Value of the Bond, and shall be payable only on the respective maturity date or redemption dates of the Bond. The final payment of the Accreted Value of the Bond either at maturity or upon redemption prior to maturity shall be payable in lawful money of the United States of America upon presentation and surrender of the Bond to the Authority, but solely from the revenues and receipts specified herein to the extent available.

Section 6. Execution of the Bond; Authentication. The Bond shall be executed on behalf of the Authority with the manual or facsimile signature of the Chairperson of the Authority and with the manual or facsimile signature of the Assistant Executive Director/Secretary of the Authority, and sealed with the official seal of the Authority or a printed facsimile of such official seal. In case any officer whose signature shall appear on the Bond shall cease to be such officer before the delivery of the Bond, such signature shall nevertheless be

valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Section 7. Registration of Bond; Persons Treated as Owners. The Authority shall cause books (the “*Bond Register*”) for the registration and for the transfer of the Bond as provided in this Resolution to be kept by the Authority.

Upon surrender for transfer of the Bond to the Authority duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Authority duly executed by, the registered owner thereof or his attorney duly authorized in writing, *provided* that the Authority consents to such transfer, the Authority shall execute and deliver in the name of the transferee or transferees a new fully registered Bond of the same maturity and approximate yield to maturity for a like outstanding initial principal amount. The execution by the Authority of the fully registered Bond shall constitute full and due authorization of the Bond.

The Authority shall not be required to transfer the Bond after notice calling the Bond for redemption prior to maturity has been mailed nor during the period of one (1) day next preceding mailing of a notice of redemption of the Bond prior to maturity.

The person in whose name the Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the Accreted Value of the Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the Bond, but the Authority may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Bond.

Section 8. Redemption Prior to Maturity. The Bond shall be subject to redemption prior to its maturity date at the option of the Authority as a whole, or in part, on any date, at a redemption price of 100% of the Accreted Value of the initial principal amount thereof being redeemed.

The City shall, at least six (6) days prior to the date fixed for optional redemption (unless a shorter notice shall be satisfactory to the Authority), notify the Authority of such date fixed for redemption, the initial principal amount of the Bond or portion thereof to be redeemed prior to maturity and the redemption price of the Bond or the portion thereof to be redeemed.

Section 9. Redemption Procedure. Unless waived by the owner of the Bond, notice of the call for any such redemption prior to maturity shall be given by the Authority by mailing the redemption notice by first class mail, postage prepaid, or by electronic means at least five (5) days prior to the date fixed for redemption to the registered owner of the Bond at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Authority.

All notices of redemption shall state:

- (1) the date fixed for redemption,
- (2) the redemption price,
- (3) if less than all of the Bond is to be redeemed, the identification of the initial principal amount of the Bond to be redeemed,
- (4) that on the date fixed for redemption the redemption price will become due and payable upon the Bond or portion thereof called for redemption prior to maturity, and that interest thereon shall cease to accrue from and after said date, and
- (5) the outstanding initial principal amount after such redemption occurs.

On or prior to any date fixed for redemption, the Authority shall have on deposit an amount of money sufficient to pay the redemption price of the Bond or portion thereof which is to be redeemed prior to maturity on that date. Unless moneys sufficient to pay the redemption price of the Bond or portion thereof so to be redeemed shall be on deposit with the Authority prior to the giving of such notice of redemption, such notice may, at the option of the Authority, state that said redemption shall be conditional upon the deposit of such moneys with the Authority on or prior to the date fixed for redemption. If such moneys are not deposited with the Authority, such notice shall be of no force and effect, the Authority shall not redeem the Bond or portion thereof and the Authority shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that the Bond or portion thereof will not be redeemed.

Notice of redemption having been given as aforesaid, the Bond or portions thereof so to be redeemed prior to maturity shall, on the date fixed for redemption, become due and payable at the redemption price therein specified, except in the case of a conditional call pursuant to which the notice of redemption is rescinded, and from and after such date (unless the Authority shall default in the payment of the redemption price) the Bond or portion thereof shall cease to bear interest. In the event of a partial redemption of the Bond, the redemption price shall be paid by check or draft of the Authority to the person in whose name the Bond is registered at the close of business on the business day next preceding the applicable date fixed for redemption. Notwithstanding the foregoing, the redemption price of the Bond shall be payable by wire transfer or ACH transfer in immediately available funds to the owner of the Bond, if such owner shall have requested payment by such method in writing, and shall have provided the Authority with an account number and other necessary information for such purpose. The owner of the Bond shall note the redemption date, the amount of such payment, the initial principal amount of the Bond paid on such redemption date and the outstanding initial principal amount of the Bond after such redemption occurs, on *Schedule A* attached to and made a part of the Bond. Once the Bond has been fully redeemed, it shall be cancelled and destroyed by the Authority.

Section 10. Form of Bond. The Bond, the form of assignment to be endorsed thereon and the schedule of redemption payments made are all to be in substantially the following forms with necessary and appropriate variations, omissions and insertions as permitted or required by this Resolution:

Section 11. Debt Service Fund. All collections of the payments of the Tax Increments to the Authority by the City shall be placed and segregated in a special sinking fund hereby created and designated “Redevelopment Authority of the City of Milwaukee, Taxable Redevelopment Revenue Bond, Series 2016 (City of Milwaukee Project), Debt Service Fund” (the “*Debt Service Fund*”), to be used only for the payment of the Accreted Value of the Bond to the owner of the Bond at maturity or upon redemption prior to maturity. The Debt Service Fund shall be in the custody of the Authority. Any surplus in the Debt Service Fund remaining after all of the Accreted Value of the Bond has been fully paid shall be paid to the City.

Section 12. Investments. The Authority hereby authorizes the temporary investment of moneys on deposit in the Debt Service Fund, to the extent permitted by the laws of the State of Wisconsin, only in: (i) direct obligations of the United States of America, (ii) obligations guaranteed as to principal or interest by the United States of America, (iii) the Wisconsin local government pooled investment fund, or (iv) any other investment permitted by the laws of the State in which the Authority may invest. Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the Accreted Value of the Bond. All interest earned on said investments shall accrue to the Debt Service Fund.

Section 13. Cooperation Agreement. As security for the due and punctual payment of the Accreted Value of the Bond, the Authority, on behalf of and for the benefit of the owner of the Bond, will deposit the Tax Increments when received from the City in the Debt Service Fund and all other property from time to time assigned or pledged by the Authority to secure the Bond. In that connection, the Authority is hereby authorized to enter into the Cooperation Agreement with the City in substantially the same form as presented to the Commissioners of the Authority. The form, terms and provisions of the Cooperation Agreement be, and they hereby are, in all respects approved. The Chairperson and the Assistant Executive Director/Secretary of the Authority are, and each of them hereby is, authorized, empowered and directed to execute and to affix the official seal of the Authority to the Cooperation Agreement for and on behalf of the Authority, and thereafter to deliver the Cooperation Agreement to the City, such Cooperation Agreement to be in substantially the same form as presented to the Commissioners of the Authority or with such changes therein as the officers of the Authority executing the Cooperation Agreement for and on behalf of the Authority shall approve, their execution thereof to constitute conclusive evidence of their approval of any and all changes in the Cooperation Agreement. The Cooperation Agreement shall constitute, and is hereby made, a part of this Resolution.

Section 14. Tax Increments. Pursuant to the Cooperation Agreement, the City has agreed to make payments of the Tax Increments to the Authority to provide revenues and receipts to be used solely for the purpose of paying the Accreted Value of the Bond, subject to certain conditions as more fully described herein and in the Cooperation Agreement. The obligation of the City to make such payments of the Tax Increments to the Authority is subject to the receipt of Tax Increments by the City, is subject to annual appropriation by the Common Council of the City, is subject and subordinate to the reserved right of the City to first apply the Tax Increments to the payment of the principal of and interest on the Plaza Bonds and related borrowing costs, and the Tax Increments shall not be paid to the Authority until the Plaza Bonds and related borrowing costs are paid in full in accordance with the Cooperation Agreement.

Section 15. Sale of Bond. The sale of the Bond to the Purchaser at a price of 100% of the initial principal amount thereof is hereby confirmed upon the terms and conditions set forth in this Resolution. The Chairperson, the Assistant Executive Director, Secretary of the Authority or either of them, is hereby authorized to deliver the Bond to the Purchaser upon payment of the purchase price.

Section 16. Use of Proceeds; Bond to Remain in Registered Form. The principal proceeds from the sale of the Bond shall be transferred to the City for deposit in a special, segregated fund to be used to pay a portion of the costs of the Project, upon the terms and conditions set forth in the Cooperation Agreement.

The Authority further recognizes that the Bond is required to be issued and to remain in the form of one (1) fully registered Bond. In this connection, the Authority agrees that it will not take any action to permit the Bond to be issued in, or converted into, bearer or coupon form.

Section 17. Defeasance. The Bond shall be deemed to be paid within the meaning of this Section when payment of the Accreted Value of the Bond (whether at maturity or upon redemption prior to maturity as provided in this Resolution), either (i) shall have been made or caused to be made in accordance with the terms of the Bond and this Resolution, or (ii) shall have been provided by irrevocably depositing with the Authority or a trustee or escrow agent, in trust and irrevocably setting aside exclusively for such payment, (1) moneys sufficient to make such payment, and/or (2) direct obligations of the United States of America or other obligations the timely payment of the principal of and interest on which are unconditionally guaranteed by the full faith and credit of the United States of America, which are not callable prior to their maturity and which mature and bear interest, without reinvestment, in such amounts and on such dates as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of such trustee or escrow agent, if any, shall have been paid or the payment thereof provided for. At such time as the Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Resolution, except for the purposes of any such payment from such moneys and/or obligations. It is expressly provided that a portion of the Bond may be defeased at any time or from time to time.

Notwithstanding anything to the contrary herein, upon the provision for payment of the Bond or any portion thereof, as specified in this Section, the optional redemption provisions of Section 8 hereof allowing the Bond or any portion thereof to be called for redemption prior to maturity upon proper notice (notwithstanding that provision for the payment of the Bond or any portion thereof have been made through a given date) shall remain available to the Authority, unless, in connection with making a deposit pursuant to this Section, the Authority shall have (i) irrevocably elected to waive any future right to call the Bond or any portion thereof for redemption prior to maturity, or (ii) given notice of redemption of the Bond or any portion thereof to the owner of the Bond. No such exercise of said optional redemption provisions shall occur, however, unless the Authority shall have on deposit securities of the type specified in this Section and/or cash sufficient to discharge the Bond (or portion thereof) on the redemption date or dates selected.

Section 18. Other Documents. The Chairperson, the Vice Chairperson, the Executive Director, the Assistant Executive Director/Secretary and all other officers of the Authority are

hereby authorized to execute all documents and certificates and to take all such actions as may be necessary in connection with the authorization, issuance, sale and delivery of the Bond, the execution and delivery of the Cooperation Agreement and the performance of the obligations of the Authority thereunder and to carry out and comply with the terms thereof and of this Resolution.

Section 19. Issuance Fee. The Authority shall, upon issuance of the Bond, receive an issuance fee of \$20,000.
